CERTIFICATE OF UNDERTAKING**(To be given at admission to VI/ IX Std and again before promotion to XI Std)**

1. The primary objective of the school and of the students is to continuously strive for all round excellence (including academics) by making the best use of available time and resources and become eligible to join the armed forces. Achievements of two students studying in the same school and under exactly the same set of conditions may greatly differ due to difference in attitude and commitment and not so much due to their individual capabilities/ intelligence.

2. I understand that this undertaking is intended to constantly remind me to remain committed and excel rather than do poorly and give excuses for poor performance.

3. Sainik School is known for its special character and is very different from any other boarding school. I am well aware of the physically demanding nature of academic and training activities and strict daily routine. It will be easier for me to score good marks in some other school where I can dedicate more time to studies. Despite knowing this, I wish to continue in the school and, I shall study with utmost sincerity and always try to improve my academic performance. I will not take recourse to the following excuses for performing poorly or failing in any examination.

(a) **No time for studies.** I am aware that, I will have to follow the laid down time table of the school between 0500 to 2200 hrs every day. There is sufficient time in between classes, free periods, daily evening prep, holidays etc for studies and homework. School does not engage XII Std for any extra curricular activity except for a few CCA events and an occasional Guard of Honour. I will be able to manage time for self studies and all other activities within the existing routine of the school.

(b) **No rest in the afternoon.** Cadets are required to rest from 1410 hours till 1510 hours unless they are on corrective drill or detailed for weak cadets classes; yet cadets despite cautioning are found going to the playground by 1500 hours; the senior cadets have time only for a short nap because they have to attend laboratory and also if they sleep for a long time in the afternoon, they tend to keep awake in the night. I am aware that lab periods, extra classes, mock tests etc will mostly be organised during non regular hours eg. afternoon, after dinner or on holidays.

(c) **Not allowed to study in the night.** I shall be early to bed and early to rise which will not only help me be hale and healthy, but also enable me to wake up early for PT and keep me alert during classes.

(d) **Large Number of Mock Tests before UPSC.** I am aware that a majority of cadets never say that they are well prepared even the day before the exam. I also know that tests should be taken seriously and positively because practice will make cadets perfect. Mock tests will be conducted regularly every week. Frequency will be increased toward the end. I will therefore be prepared for any test as soon as the lesson is completed. I will not resort to the perennial excuse many cadets give that they are not prepared.

- (e) **Monday Assembly is not required.** Other schools have daily assembly and participating in assemblies will build my confidence.
- (f) **CCA/ Literary Activity is not useful for UPSC.** CCA/ Literary Activity is an essential part of curriculum of any school and it helps in SSB.
- (g) **PT, Games and Roll Calls are a waste of time.** PT and Games are necessary to remain fit and ready for SSB; Roll Calls are necessary to check absentees, uniform etc; Roll Calls can get over quickly if the Houses assemble fast and therefore I shall not only be in time and conduct myself properly during the roll call but also impress upon my peers to do the same so that we all are not detained or punished for misconduct.
- (h) **Too many corrective drill/ PT/ Imposition.** Only if I commit mistakes, will I be awarded corrective drill/PT/Imposition. It depends on the number of offences/ violations of orders by me.
- (j) **Masters not serious with the classes.** I will not resort to attributing reasons for poor performance to masters. I will clarify my doubts about the topic as early as possible. In case I still need further guidance which is not forthcoming from masters due to any reason, I will discuss the matter with Headmaster/ Principal to find a solution rather than waiting till the last moment or after the damage has been done.
- (k) **Study leave for UPSC not given.** In class XII I will have to study for NDA/UPSC as well as CBSE. School cannot give study holidays for UPSC exams since CBSE portions can't be neglected. However, they shall observe regular additional study hours as and when permitted.
- (l) **Stress due to summoning parents/ guardian to school.** I know that it is customary for schools to call parents / guardian to discuss poor academic performance and indiscipline. The onus is on me to show good behaviour and better performance in academics so that there is no need for my parents/ guardian to be summoned to the school. If I don't meet the academic and discipline standards of the school which are clear to me and my parents/ guardian from the beginning, then I alone am responsible for any inconvenience/ distress which might be caused to my parents/ guardian or me on account of their being summoned to the school. Neither I nor they can blame the school. Also my parents/ guardian can't absolve themselves of the responsibility of participating in the Counselling Process whenever the school initiates. Parents/ guardian of XII Std cadets are also given the freedom to visit on non Visitors" Day and help relieve their wards of the pressure of studies/ exams.
- (m) **CBSE tests before UPSC Exam.** Studying for CBSE Tests help in the UPSC preparation since the syllabus is not vastly different. Also if the CBSE studies (including tests) are stopped before the UPSC (NDA) Exam, it will be difficult to complete the portions by December and begin revisions thereafter. Therefore I shall pay equal attention to both CBSE and UPSC portions in the syllabi.

(n) **Duties & Responsibilities of an Appointment.** I know that being an appointment is part of the training given to a future leader. I shall not shirk from the responsibility bestowed on me as an appointment by giving excuses such as “I need more time for studies”, “I am not fit for the job”, “Someone else is more interested and he will be better”, “Seniors will pressurize me as a Junior Appointment to be harsh with the juniors which may invite drastic disciplinary action” etc. On the other hand I shall seize the opportunity for my growth, honour the trust and confidence placed in me and wholeheartedly fulfil my duties and responsibilities as an Appointment/ Senior Cadet. A senior appointment has the support of his House Master, Tutors and subordinate appointments. His duty is to guide the School, House or Group by primarily being a role model and doing the right thing (mainly keeping punctuality and the dress code and never hurting the juniors physically or emotionally). The same routine is being followed at the school since its inception in 1962. Those who aspire for success, are committed and work extremely hard to attain glory for themselves, their parents/ guardian and the school. On the other hand, those who are lazy and forever give lame excuses, fail to achieve the desired goals and begin blaming the system, curriculum, authorities (for being rigid with the rules) et al instead of holding themselves responsible for the lack of ambition and dedicated effort. I am already aware of the regimen and the rigours of the school and yet I am passionate about studying at this school. I shall wholeheartedly accept any additional task related to academics and other activities since it will contribute to my success in the exams and tests (under CCE/ AISSE/ AISSEE/ UPSC/ SSB).

4. I hereby certify that I have read and understood the following guidelines/rules/ and norms of Sainik School Korukonda and I shall abide by them.

(a) **Homework.** Cadets will submit their homework/ records/ project work/ assignment/ in time. Not doing so will result in withdrawal of the cadets on grounds of “Poor Academic Performance” (Rule 3.37 of SSS Rules & Regulations)

(b) **Exams Compulsory.** Cadets will not skip any test/ exam under any pretext. If they do so, they will be awarded zero in that particular test/ exam. No retest will be conducted except on medical grounds or absence with prior approval.

(xi) Trading or selling any item (Gifting items is legitimate).

Punishment as recommended by Disciplinary Committee

(xii) Other misdemeanours like late coming, absenteeism/ missing roll call, improper turnout, improper marching, non submission of homework, neglecting and not caring about textbooks and notebooks, lying, cheating, forgery, theft, laziness, carelessness, ganging up, quarrelling, causing disturbance, chatting or sleeping or playing or reading non prescribed material in the class/ study room, sleeping in class, not speaking in English, improper table manners, skipping meals, wasting food, malingering, hiding illness or real cause of injury or distress, littering the area with paper or plastic etc, disrespect to elders/ seniors, disobedience of orders etc. will invite corrective drill/ PT (in the case of homework and turnout, the cadet will stop attending the corrective drill/ PT only after he has completed the task or rectified the error), Kit issue and if the violations are repeated, the cadet will be dismissed from the school for indiscipline.

(p) **Bad Traditions**. It is easy to follow incorrect, wrongful and meaningless ways in the name of „tradition“ and „seniority“. Eg. Using violence (including foul language) against juniors, making them slaves who are bound to do as they are bid, writing dirty graffiti on the walls and road, breaking and burning things, plunging into the swimming pool or water tank to celebrate a victory, lying to show „team spirit“, listening to loud and crude songs, running away to town in the night, smuggling banned items into the school, spraying ink on each other, wearing sandals (to Tuck Shop, Games Roll Call and even Laboratory), wearing coloured / civil clothes or being half naked in the dormitory, not tucking in T-Shirt/ Uniform, not standing in a squad, skipping PT and Drill, jumping walls and taking shortcuts, slumbering in the afternoon through the games period, keeping awake till late at night, challenging authority etc. These bad traditions are strengthened by the stories spun by a few alumni who share their „exploits“ and experiences as if they were heroic. Cadets

should eschew all such atrocious behaviour. On the other hand they should build good traditions by excelling in academics, sports and extra-curricular activities, doing homework, speaking in English, marching in squads, maintaining standards in drill and turnout, punctuality, table manners, being kind to juniors, being respectful to all, planting trees, doing social service, joining the NDA in large numbers etc. though these are a tough act to follow.

(q) **'Seniority'**. 'Seniority' should mean being a role model to the juniors, leading by example, giving knowledge and guidance, showing compassion, solving problems, willing to spare time, sacrificing own happiness, playing and having fun and 'Seniority' is certainly not the power to cause physical or mental hurt to the junior cadets.

(r) **Visitor's Card**. Cadets will entertain only authorized visitors with Visitor's Card (for parents and guardian) only on specified days (mostly on Second Sundays, PTA Meeting and on birthdays if permitted). However their presence in the school should not hamper any assembly/ activity the cadet is required to attend.

(s) **Vacation**. Cadets are allowed to go on vacation on the day after the last working day (after cleaning and organising their dorms/ cupboards and booking out in the House Register/ Gate Book out Register. If they are proceeding on personal leave, then a leave application from the parent is to be submitted. Only Cadets of IX Std and above are permitted to travel by themselves only after undertaking submitted by parent as and when required. Similarly the cadets are required to report back from vacation on the specified day before 2000 hours and book in at the Front Gate only (if they are late they will be fined). If they attempt to enter the campus through any other route and without following proper procedure, then it will be construed that they are trying to smuggle in a banned item and disciplinary action will be initiated. The dress code at the time of departure from and arrival back at the school will be formals. The dress for the roll call at 1800 hrs after arrival will be 'Dinner Dress'.

(t) **Vacation Classes**. During vacation, it is mandatory for cadets, especially of XI and XII, to attend any class, camp, workshop or tour if or whenever organised by the school. They will not cite the excuse that they or their parents/ guardian have already made arrangements for tuition classes during vacation etc. The school also reserves the right to postpone or cancel any scheduled programme during vacation. All the cadets of a particular class will equally bear the cost of any training and the cost towards food and other charges during vacation.

(u) **Leave**. Cadets may take leave for a period not exceeding 3 days (maximum) only in the event of death of own kin or wedding of own sibling. If however leave is unavoidable for any other reason, a minimum of 10 days leave may be applied for. The parents/ guardian would have to decide if the leave is worth missing 10 days of classes. However grant of leave even in extraordinary circumstances is purely under the discretion of the authority. Loss of academics in such cases will have to be made good by the Cadet on his own, the school cannot be held responsible for the same. The parent should specifically apply for such leave, well in advance, mentioning the above responsibility clause.

(v) **Medical Treatment.** Cadets are normally treated for all minor illnesses within the school. Counselling sessions are also arranged for cadets who feel stressed or unable to focus on studies or show tendencies toward indiscipline. Treatment for dental problem, fracture etc is also organised under the arrangement of the school. Medical leave will be granted after the required investigation and with the advice of the local specialist doctor in the following cases only:-

- (i) Communicable disease like chicken pox (conjunctivitis is treated within the school)
- (ii) Major ailments like typhoid, jaundice (viral hepatitis)
- (iii) If the movement is severely restricted due to fracture (needing surgery) or other forms of injury.
- (iv) Any other case which merits a long period of treatment/ surgery followed by/ or rest and recuperation/ convalescence.

Parents are to complete the treatment for any skin allergy/ ailment or surgical procedure for corn on the feet etc during the vacation itself. Commencing any other long drawn treatment (including dental) should be with the concurrence of the school.

5. I understand that there are rules and regulations which are to be followed by the parents/ guardians also. Parents are the primary role models for the children. Therefore they need to be law abiding in terms of being punctual, tidy, orderly, considerate, patient and peaceful. The following are some important guidelines that I shall urge my parents/ guardian to follow:-

- (a) **Visits.** Parents/ guardian are to attend all PTMs conducted at the school. Parents/ guardian are allowed to meet their wards in the School only on Visitor's Day preferable on Second Sunday of the month or on any other day decided as per convenience only within the specified duration.
- (b) **Parking.** Parents/ guardians are to park their vehicles (at own risk, the security of the vehicle being the owner's responsibility) in the specified place (near main gate). Vehicles are not to be parked on the main Road (in front of the school).
- (c) **Visitor's Card.** Parents/ Guardians are to be in possession of the Visitor's Card when they visit the school and should produce the same at the front gate. If there are other visitors they should be accompanied by anyone mentioned/ whose picture is affixed in the Visitor's Card. Please get a new card made if the old one is misplaced or lost.
- (d) **No Argument or Fight.** Parents/ guardians are not to get involved in any argument or quarrel with other parents/ guardians, cadets or staff of the Sainik School.

Signature of Parent/Guardian

(e) **Out of Bound.** Residences of Staff, Hostels and MI Room are strictly 'out of bound' for parents/ guardians. They are also not to take their wards outside the school limits.

(f) **Permission to Stay.** There is no provision of staying in the school beyond 1700 hrs, whatsoever.

(g) **Littering.** Parents/ guardians/ guests are not to litter the campus with plastic, paper and other trash.

(h) **Taking Shortcuts or Jumping Wall.** Since vehicles are not permitted inside the Hostel area, parents/ guardians might resort to jumping the compound wall in order to get heavy articles inside. Parents/ guardians/ guests are not expected to jump walls or take shortcuts to enter the campus or while moving from one place to another. This is setting a wrong example to their own wards.

(j) **Telephone Calls.** Parents/ guardians are allowed to make phone calls to their wards between 1400 h to 1530 h & 2045 h to 2145 h, on all working days and 0900 h to 1700 h on holidays (excluding meal time and any important event). Cadets may telephone their parents from the Coin Box at the Tuck Shop between 1530 hrs to 1700 h on all working days and 0900h to 1700 on holidays (excluding meal time and any important event) and in the Hostels (for Juniors) between 1530 hrs to 1700 h on all working days and 0900h to 1700 on holidays (excluding meal time and any important event).

(k) **Performance Counselling.** Parents/ guardian are to meet the Class Teacher, see the answer sheets of their wards and sign the report card and Counselling Register during their visit. The parents/ guardians are to maintain discipline and decorum while meeting the teachers. They should patiently wait for their turn. They are also not to carry on conversation with a particular teacher for more than three minutes, especially when other parents/ guardians are waiting.

(l) **Monitoring Academic Progress.** It is the responsibility of the parents/ guardian to keep themselves abreast of the results and the performance of their ward. After every Test, the results will be posted on the website. After each Term Test, the school will send the results by normal post too.

(m) **Poor performance in academics/ discipline and counselling to parents/ guardian.** Parents/ guardian will meet the Class Teacher/ House Master/ Senior Master or the School Administration whenever asked to do so (mainly for academic, disciplinary or non payment of fee reasons). Parents/ guardian are fully involved and responsible for their ward's growth. They will not take cover under the excuse that they had handed over their ward to the school and therefore they have no more role to play or that they have to travel a long distance or that they don't have leave or that they/family members are ailing etc. The parents/ guardian will continue to be responsible for the actions/ misdemeanours of the ward and should actively participate in every opportunity of counselling that is given to them. Even a reason like the distance and time of travel involved, difficulty of obtaining permission for

Signature of Parent/Guardian

leave from the department concerned or ill health will not be entertained though it may be genuine (since it would be mandatory for either of the parents to come during counselling). If after all the efforts of the school and the parents/ guardian the cadet doesn't show improvement/ progress, then the cadet will have to be withdrawn from the school, in accordance with rule 3.30, 3.34 and 3.37. All schools call parents / guardian to brief them on the poor academic performance or indiscipline of wards. The SSA works for the academic excellence of your ward. Sometimes parents/ guardian themselves do not keep the best interest of the child in mind. Parents/ guardian are requested to support the school in preparing your child. The parents/ guardian are to be involved for the following reasons also:-

- (i) To inform them about the results and to enable them to advise their wards to sincerely work harder.
- (ii) As a warning that if the performance continues to be poor in spite of the best efforts of teachers, their ward will have to be withdrawn from the School.
- (iii) Calling the parents/ guardian often spurs the student to become more serious about studies.
- (iv) The growth of a child is a social responsibility- we all have a stake. The parents/ guardian cannot wash off their responsibility though they may not be living with their children.

A forum like the Parents-Teachers Committee is therefore an excellent idea as long as parents/ guardian are willing to spare their valuable time, interact with other parents/ guardians and project points which are for the benefit of the school.

(n) **Counselling Wards on Ragging**. Parents/ guardian are expected to counsel their wards on better academic performance and the evils of ragging and their dire consequences. They should ask their wards not to hide any instance of ill treatment by senior cadets. If the ward has confided in the parents, then the parents are duty bound to inform the authorities about the incident or act. Parents/ guardian of senior cadets (ie IX and above) must warn their wards not to indulge in ragging.

(o) **Counselling Wards on Malpractice**. At the school, malpractice in exams is not tolerated. If caught cheating or indulging in UFM (or Unfair Means), the students will be given zero in that paper. Cadets will also face expulsion from the school. So it is better to get fail marks than to cheat and get dismissed from the school. Parents/ guardian will have to impress this on their ward.

(p) **Withdrawal of Ward**. The parent/ guardian should ideally take an early decision about withdrawing his/ her ward from the school after monitoring his progress in academics or on medical grounds etc instead of at a later stage when a bigger amount of scholarship may have to be returned to the school or before it is too late. In this regard the parents/ guardian should not be overcome by the emotions of the ward who will be keen on continuing in the school due to his

Signature of Parent/Guardian

Signature of Cadet

attachment to friends and the campus. On the other hand, parents/ guardian of promising cadets who have a bright chance of joining NDA/ armed forces, should give their ward an opportunity to appear in the requisite exams before admitting him into other professional colleges. Neither the parents/ guardian nor the ward should not have a reason to regret at a later stage.

(q) **Escorting Wards after Suspension/ Dismissal.** If the parents/ guardian don't report to the school on the specified date to take their ward home after suspension/ dismissal, the administration will have no choice but to send him with a school escort. The expenditure toward the travel, food and accommodation for two will be deducted from the ward's account.

(r) **Sending Items by Courier/ Online Shopping.** Parents/ guardians/ friends/ acquaintances are advised not to send items by courier or order items through internet, certainly not items like the following which either goes stale (in the case of food) or can be lost in transit :-

(i) **Food.** It will be distributed among the housemates if it is already not stale.

(ii) **Medicines.** They will be handed over to the MI Room. It can be given only after consulting doctors from the school's panel.

(iii) **Electronic Items.** (Parents/ guardian are not to provide mobile phones or other electronic gadgets to their wards. If the cadets are found to be in possession of these, the items will be confiscated (never to be returned).

(iv) **Sports Equipment.** It will have to be handed over to the Sports Section for issue during Games Period only.

(v) **Cash and Expensive Items.** Money or expensive items are not to be kept by any cadet. The school is not responsible for their safety. On the other hand the item/ cash is liable to be confiscated. A moderate sum of money (not exceeding Rs 200/-) may be entrusted to the House Master till the need arises.

(vi) **Clothes.** Only formal wear is to be worn on holidays and birthday (jeans, baggies, cargos, Bermudas, T-Shirt etc are not permitted)

Do not send these attractive items which can be a source of temptation for the others. Instead please send items like books, magazines, quiz and current affairs etc.

(s) **Payment of Fee.** Parents/ guardians will remit fee and dues within the stipulated time and in advance. Non payment of fee on the pretext that his ward will receive scholarship is not acceptable. The scholarship amount will be adjusted only after it has been received from the Government. The tuition fee can be paid by the parent either in lumpsum or installments (two/four). Therefore 1st Installment of fee is to be paid in full on the day the school reopens/ cadet reports back from vacation (15Jun).

Signature of Parent/Guardian

Signature of Cadet

The second installment fee incase of half yearly is to be paid in full on or before 10 October. In case of quarterly payments (15 Jun, 10 Aug, 10 Nov & 10 Jan) to be paid. If the payment of fee is delayed by 15 days, the cadet's name will be struck off the rolls of the school/ will be sent back home in accordance with Rule 3.34 of SSS Rules & Regulations. Moreover the school will not be in a position to issue Tuition Fee Certificate for Income Tax exemption to the fee defaulters.

(t) **Updating Personal Information**. It is the responsibility of the parents/ guardians to notify the school about any change in telephone numbers or address etc to avoid complaints later that they have not received the communiqué/ SMS sent by the school. Similarly any application or request for name change etc should be accompanied by proper document (gazette notification, court order etc).

(u) **Leave**. Leave can be granted- not more than one day- for the wedding of own brother or sister (the names on the wedding card will be verified with the details in the official record) or the death of a near family member. For all other events permission is given only on the following conditions:-

(i) It should be an important event (since the school authorities won't be in a position to judge its importance, a minimum 10 days leave will be granted if the period doesn't clash with any

(ii) Periodic Test/Term/Pre-Board exam. If that event is worth losing 10 days of classes, then there is no objection in sending the Candidate on leave.

(iii) The cadet should have obtained 50% marks in all the subjects in the last test/ exam.

(iv) The cadet should have completed all homework.

(v) The cadet should not have any disciplinary enquiry against him.

(vi) For genuine medical reasons (as given at Para 4 (v))

6. If I break any of the aforementioned rules, I am prepared to accept any action the school administration deems fit to take against me including suspension and dismissal from the school. I also undertake to acquaint myself with the regulations and orders governing and changes if any incorporated from time-to-time.
